INTERNSHIP OFFER LETTER

Dear **Kundum Pravallika**,

We are pleased to offer you the position of AI Full Stack and Research Intern at Qubitedge Global Services (OPC) Pvt. Ltd. Following a careful review of your profile, we are confident that you possess the intellectual curiosity, technical acumen, and commitment required to make a meaningful contribution to our ongoing research initiatives. We trust this engagement will be both professionally enriching and rewarding.

INTERNSHIP DETAILS

- **Position:** AI Full Stack and Research Intern
- **Start Date:** 1st May 2026
- **End Date:** 30th June 2026
- **Duration:** 2 Months
- **Mode of Engagement:** Hybrid
- **Working Hours:** 10:00 AM – 5:00 PM, Monday to Friday (IST)

STIPEND & BENEFITS

- **Stipend:** ₹5,000 per month (disbursed monthly upon satisfactory milestone completion)
- Participation Certificate awarded upon successful completion of all assigned modules and Mentoring Capstone Project in Applied AI & Data Science Bootcamp
- Hands-on exposure to cutting-edge research in AI, Quantum Technologies, and IoT-driven product development
- Mentorship from experienced industry professionals and research practitioners

ROLES & RESPONSIBILITIES

- Conduct in-depth research across multiple emerging technology domains, synthesizing findings into structured reports and technical documentation

Qubitedge Global Services (OPC) Pvt Ltd.

4-61-15, 1st Floor, Lawsons Bay Colony, Visakhapatnam, 530017, Andhra Pradesh, India

Ph.No: 63028 29618 | email: info@qubitedge.in | www.qubitedge.in

CIN: U62099AP2025OPC119376 | GST: 37AABCQ1172F1ZN

- Explore and investigate Quantum Computing concepts, algorithms, and their practical applications in real-world problem-solving
- Work with IoT sensors and embedded systems to prototype, test, and iterate on hardware-software integrated solutions
- Contribute to product development cycles — from ideation and prototyping through to testing and refinement
- Assist in identifying relevant literature, datasets, and benchmarks to support ongoing research projects
- Collaborate with cross-functional teams to integrate research insights into tangible product features and improvements
- Prepare and present periodic progress reports, research summaries, and technical findings to the mentoring team
- Attend all scheduled sessions punctually; access credentials are strictly personal and must not be shared with any third party
- Complete all assigned tasks, assessments, and deliverables within stipulated deadlines
- Maintain a collaborative, professional work environment by engaging constructively with mentors and fellow interns
- Adhere to all applicable company policies and maintain strict confidentiality with respect to proprietary and research-related information

AREAS OF CONTRIBUTION

Over the course of this internship, you will have the opportunity to contribute across a range of high-impact research and technology domains, including but not limited to:

- Multi-Domain Research & Technology Investigation
- Quantum Computing & Quantum Technologies Exploration
- IoT Sensor Integration and Embedded Systems Prototyping
- Hardware-Software Product Development & Iteration
- AI & Data Science Research Applications
- Technical Documentation and Research Reporting
- Proof-of-Concept Development and Experimental Validation

TERMS & CONDITIONS

- This internship is of a temporary nature and does not constitute, nor shall it be construed as, an offer of permanent employment with Qubitedge Global Services (OPC) Pvt. Ltd.
-

Qubitedge Global Services (OPC) Pvt Ltd.

4-61-15, 1st Floor, Lawsons Bay Colony, Visakhapatnam, 530017, Andhra Pradesh, India

Ph.No: 63028 29618 | email: info@qubitedge.in | www.qubitedge.in
